

Name American egg _____

Why Do People Move to New Homes?

Handout 2

Directions: Draw a picture of a push factor and a pull factor that would make you move. Label your drawings "Push Factor" and "Pull Factor."

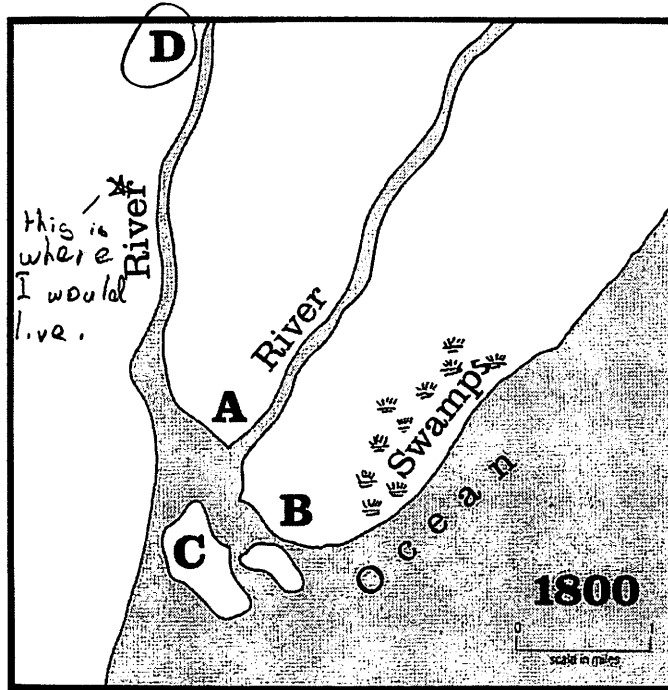

Bad Weather
too many bugs
War

Push/Pull

Good Food
Education
Family

Push/Pull ✓

Directions: You are the leader of a new settlement!
Look at the map and decide where you will set up your settlement. Circle the letter that shows your settlement's location.
Write a list of why you chose that area, as well as why you didn't choose the other areas.

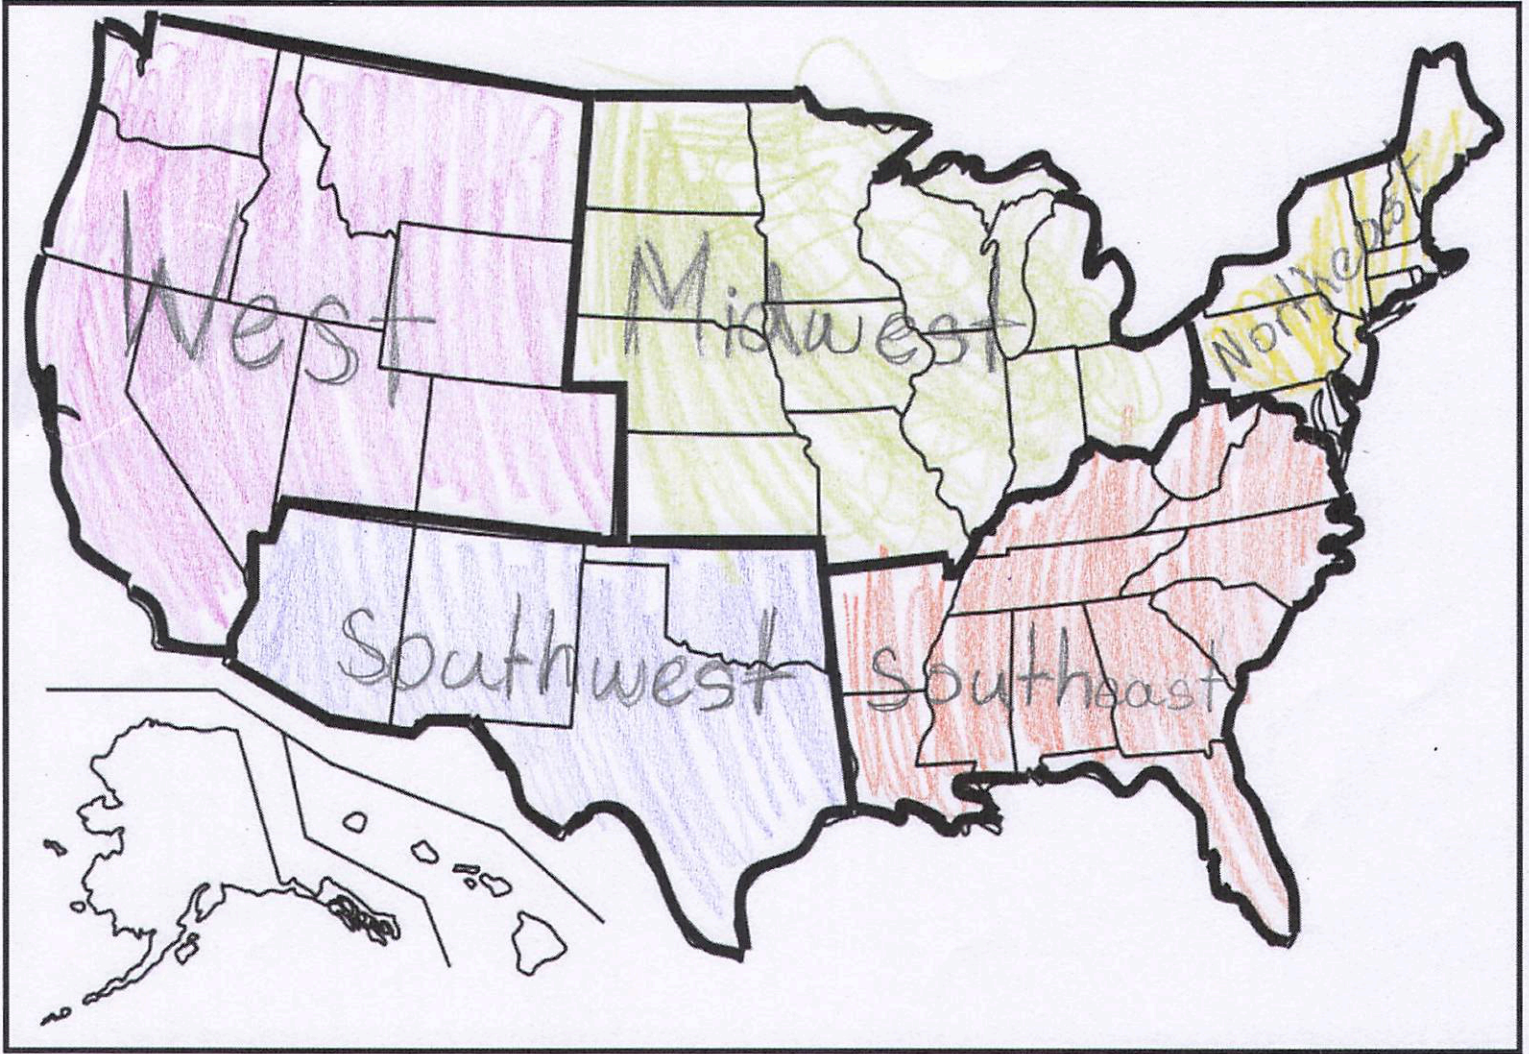

I will settle at island d because I learned that moving water is cleaner and it also has a river but it is kind of surrounded by the ocean. I also hate salty water. I can cross the river to island a.

Name:  American egg _____

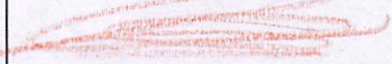

Date: _____
